

Production Workers

Quality, Delivery, Partnership, Innovation, Price – these are the key factors of success that have guided Coast Spas to become the leading manufacturer and innovative leader in premium quality hot tubs. As Coast continues to grow, continuing to attract and retain great people is the most important factor in the ongoing success of the business. We believe in our employees and promote from within whenever possible; all you need is a commitment to quality and the desire to grow your career with Coast Spas.

Coast Spas is seeking Production Workers for our manufacturing facility in Langley, BC. Applicants must be reliable, energetic and physically fit with the ability to work in a fast-paced manufacturing environment with a diverse team. Must be able to lift, push/pull up to 50 lbs and operate various hand held power tools up to 10 lbs each. Prior experience in manufacturing is an asset however we are willing to train the right people who want to learn and have a great attitude.

Duties & Responsibilities:

- Use hand tools and operate machinery to cut, shape and fit materials to form parts and fabricate components for the hot tubs
- Screw, clip, glue and bond assemble parts and components to form final products
- Sand, trim, grind or clean products into final form using hand tools
- Install pillows, jets, hoses and other parts required for each Spa model
- Clean work stations and remove scrap, dust, shavings and other by-products from machinery and surrounding areas
- Check hot tubs for defects and conformance to specifications
- Product inspection to ensure quality standards are met on each hot tub
- Affix seals or tags to approved items and return defective products for repair
- Other duties as required

Working Environment:

- Manufacturing facility; dust, noise and fumes
- Must have steel toed shoes, company provides an allowance of up to \$100 per year
- Must be willing to wear company provided PPE as required by each department

We offer a competitive hourly wage with incremental increases, MSP and extended benefits, shift premiums, first aid premiums, and we have production bonus plan. Shift is 6:30am – 3pm, Monday – Friday, we are centrally located in Langley and transit accessible.

Coast Spas has a great working environment; we embrace all cultures, backgrounds and beliefs and unite together as a team to reach our goals. We hold various social events throughout the year to reward our employees and we have incentive based programs for perfect attendance and ideas on how to improve the company.
